Understanding Pricing Strategies and Business Model

Forever Living operates as a multi-level marketing (MLM) company, which influences its pricing and distribution approach.

Wholesale vs. Retail Pricing

Distributors purchase products at a wholesale price—generally 20-25% lower than retail—allowing them to resell at the retail price and earn profit margins. This model incentivizes sales and recruitment, with commissions based on sales volume and team development.

Point Value (PV)

Every product carries a specific PV, which is used to calculate commissions, bonuses, and rank advancements within the company. Generally, higher PV products are more expensive but offer greater earning potential for distributors.

Promotional Bundles and Kits

These are designed to encourage larger purchases, often at discounted rates compared to buying individual items. For example, starter kits for new distributors may include a selection of best-selling products at a reduced price, facilitating easier onboarding and immediate sales.

How to Use the Price List Effectively

For Customers

1. Compare prices: Check retail prices across different products to identify best value.
2. Look for bundles: Purchasing product bundles or starter kits can offer savings.

3. Stay informed about promotions: Seasonal discounts or special offers can reduce costs.

For Distributors

1. Maximize profit margins: Purchase at wholesale prices and resell at retail prices.
2. Leverage PV: Focus on high-PV products to maximize commissions.
3. Promote product bundles: Encourage customers to buy kits for better margins and value.

Tips for Making the Most Out of Forever Living Products

1. Research Product Benefits: Understanding what each product offers can help you recommend the right items to customers.
2. Start with Best Sellers: Products like Aloe Vera Gel and Aloe Berry Nectar are popular and proven to have high demand.
3. Balance Quality and Cost: While price is important, prioritize products with proven efficacy and quality.
4. Utilize Promotional Offers: Take advantage of bundles and seasonal discounts to increase sales volume.
