Background and Creation

Origins of the Project

The Outside Circle was born out of a desire to shed light on the cycles of trauma and incarceration affecting Indigenous and marginalized communities in Canada. Warren Kimmel, inspired by real-life stories and his own experiences working with at-risk youth, sought to create a narrative that humanized individuals often dehumanized by society and the justice system. Collaborating with Patrick Confirm, a talented artist with a background in social justice issues, they crafted a story that combines authentic storytelling with visually striking artwork.

The Artistic Approach

The graphic novel employs a minimalist yet expressive art style, emphasizing facial expressions, body language, and symbolic imagery to communicate complex emotional states. The use of color is deliberate—often employing stark contrasts or subdued palettes—to evoke mood and highlight key moments. This approach allows readers to engage emotionally with the characters' journeys and to comprehend the nuanced realities of their lives.
