Sample APUSH Unit 6 SAQ Questions with Model Answers

To solidify your understanding, consider practicing with these example questions.

Question 1: Analyze the causes of the rise of big business during the Gilded Age.

Model Answer: The rise of big business in the Gilded Age was primarily driven by technological innovations like the Bessemer process, which lowered production costs, and the expansion of the railroad network, which facilitated distribution and access to markets. Additionally, government policies such as laissez-faire capitalism and minimal regulation allowed monopolies and trusts to dominate industries, while entrepreneurs like Andrew Carnegie and John D. Rockefeller capitalized on these opportunities to build vast fortunes.

Question 2: Explain how urbanization impacted American society in the late 19th century.

Model Answer: Urbanization led to significant demographic shifts, with an influx of immigrants seeking employment in factories, which contributed to the rapid growth of cities. This urban expansion resulted in overcrowded living conditions, the rise of tenement housing, and increased social stratification. Social reform movements, such as settlement houses like Hull House, emerged to address urban poverty and improve living standards for the working class.

Question 3: Compare the economic goals of the Populist movement with those of the labor movement during this period.

Model Answer: Both the Populist and labor movements aimed to improve economic conditions for farmers and workers, respectively, but their approaches differed. The Populists sought political reforms such as the free coinage of silver, government ownership of railroads, and graduated income tax to address the economic hardships of farmers. In contrast, the labor movement focused on better wages, working conditions, and the right to unionize, exemplified by strikes like the Pullman Strike. While both aimed to challenge corporate power, the Populists emphasized political reform, whereas labor activism centered on immediate labor rights.
