2. Prepare the Dry Mixture

In a large mixing bowl, combine:

1. 2 cups rolled oats
2. 1/2 cup chopped almonds
3. 1/2 cup chopped walnuts
4. 1/4 cup sunflower seeds
5. 1/4 cup pumpkin seeds
6. 1 teaspoon cinnamon (optional)

Mix well to ensure even distribution of ingredients.

3. Toast the Mixture

Spread the mixture evenly on a baking sheet lined with parchment paper. Place in the preheated oven and toast for 10-15 minutes, stirring halfway through to promote even browning. Keep a close

eye to prevent burning, especially after the first 10 minutes.

4. Cool and Mix in Dried Fruits

Once toasted to a golden brown, remove the baking sheet from the oven and let the mixture cool completely. After cooling, stir in dried fruits like raisins, chopped apricots, or dates. This helps preserve their chewy texture and flavor.

5. Add Optional Seeds and Flavors

Sprinkle chia seeds or flaxseeds over the mixture. If you prefer a touch of sweetness, drizzle honey or maple syrup and toss gently to coat. For extra flavor, add a teaspoon of vanilla extract or a pinch of ginger.
