Limitations and Considerations

While the workbook is an outstanding resource, it is not a substitute for actual experience or tailored coaching. Some limitations include: - Lack of Personal Feedback: Self-study materials cannot replace personalized critique from experienced interviewers. - Potential for Over-Reliance: Candidates may become overly scripted and not adapt well to unexpected questions. - Evolving Interview Trends: As airline interview techniques evolve, some content may require updates to stay current. To maximize effectiveness, candidates should combine the workbook with mock interviews, peer practice, and real-world experience.
