This article delves into the core concepts of *Ask and It Is Given*, the role of Esther and Jerry Hicks in popularizing these teachings, and how you can apply their principles to enhance your life.

Understanding the Core Principles of Ask and It Is Given

The essence of *Ask and It Is Given* is rooted in the law of attraction—the idea that like attracts like, and our thoughts and feelings shape our reality. Esther and Jerry Hicks emphasize that by aligning our vibrational state with our desires, we can manifest whatever we want.

The Power of Asking

The first step in manifestation is clarity and intentional asking. According to the Hicks teachings:

1. Be clear about what you want.
2. Focus your thoughts and feelings on your desire.
3. Believe that you can receive it.

Esther often describes asking as a natural, effortless process. When you genuinely want something, your inner being (or higher self) responds by aligning your vibration with that desire.

The Importance of Receiving

While asking is vital, receiving is equally crucial. The Hicks believe that many people struggle with allowing their desires to manifest because they block the flow of abundance through negative thoughts or resistance.

1. Trust that your desire is on its way.
2. Maintain a positive expectation.
3. Practice feeling good and being in a receptive state.

The Law of Attraction in Action

The law of attraction operates continuously. When you focus on what you want, your vibrational energy attracts similar energies into your life. The Hicks teach that:

1. Your thoughts are like magnets.
2. Your feelings are the indicators of your vibrational alignment.
3. Consistent positive focus accelerates manifestation.

This article aims to provide an in-depth examination of *Ask and It Is Given*, exploring its core principles, the background of Esther and Jerry Hicks, the philosophical underpinnings, and the ongoing debates surrounding its claims.

The Origins of Esther and Jerry Hicks

Who Are Esther and Jerry Hicks?

Esther and Jerry Hicks are the primary figures behind the teachings encapsulated in *Ask and It Is Given*. Esther Hicks claims to channel a group of non-physical entities known as "Abraham," who communicate spiritual wisdom through her. Jerry Hicks, her husband, was a businessman and speaker who collaborated with Esther in disseminating these teachings.

Esther Hicks describes her experiences as a channel for "Abraham," emphasizing that her role is to convey the non-physical entities' messages to human audiences. The couple's work gained popularity through seminars, books, and recordings, positioning themselves as modern-day spiritual guides.

The Channeling Phenomenon

Channeling—a practice where individuals claim to communicate with spirits or non-physical entities—has a

long history across cultures. Esther Hicks' channeling of Abraham is part of this tradition, but it has also been subject to skepticism and criticism. Proponents argue that channeling provides access to higher wisdom, while skeptics view it as a psychological phenomenon or even deception.

Core Principles of Ask and It Is Given

The Law of Attraction Explained

At the heart of Ask and It Is Given lies the Law of Attraction, which posits that "like attracts like." According to this principle, thoughts are like magnets that draw similar energies and circumstances into one's life. Positive thoughts attract positive outcomes, whereas negative thoughts attract undesirable situations.

The Process of Manifestation

The book emphasizes that individuals are inherently capable of manifesting their desires by aligning their thoughts, feelings, and beliefs with their intentions. The authors suggest a step-by-step process:

1. Clarify your desires: Be specific about what you want.
2. Focus on positive thoughts: Maintain a mindset of abundance and gratitude.
3. Feel good: Cultivate emotions that resonate with your desires.
4. Allow the manifestation: Trust that the universe will deliver.

The Role of Emotional Guidance

A significant aspect of the teachings involves emotional guidance as an indicator of alignment. The authors introduce a "Vortex" concept—a metaphorical space where desires manifest when one is in harmony with their true self. Emotions such as joy, love, and excitement signal alignment, whereas frustration, anger, or despair indicate resistance.

The Creative Process

According to Abraham, human beings are creators with the power to shape their reality through their thoughts and feelings. The process involves aligning oneself with the "Vortex" where all desires are already present in potential.

Belief systems are viewed as critical. Limiting beliefs act as resistance, preventing manifestations, while

empowering beliefs facilitate manifestation.

Many critics argue that *Ask and It Is Given* offers no empirical evidence supporting its claims. The Law of Attraction, as presented, lacks scientific backing and is often dismissed as pseudoscience.

Authenticity of Esther's Channeling

Skeptics question whether Esther Hicks genuinely channels non-physical entities or if her experiences are psychological phenomena, such as dissociation or subconscious processing.
